Center for Native American and Indigenous Research, Northwestern University

The Center for Native American and Indigenous Research (CNAIR) is Northwestern University's primary institutional space dedicated to advancing scholarship, teaching, learning, and artistic or cultural practices related to Native American and Indigenous communities, priorities, histories, and lifeways.

CNAIR presenting partner for Relational Futures: A Symposium for Indigenous Land, Water, and Environment, a multi-day conference, planned for October 7–9, 2021, that brings together Indigenous scholars, activists, and policy for dialogue around our relationships to land, water, and environment.
